Forecast For Northwest England
Issued by Met Office Exeter
at 1600 on Sunday 30 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Fine and dry conditions set to continue.

This Evening and Tonight:
Staying dry through this evening and overnight. Lengthy clear spells will persist for most, but some low cloud and hill fog will be seen round the Peak District through the early hours. Feeling mild. Minimum temperature 9 deg C (48 deg F).

Monday:
Any early cloud or fog in the east will soon clear, leaving another fine and dry day with plenty of sunshine. Some fair-weather clouds forming during the afternoon. Feeling warm. Maximum temperature 24 deg C (75 deg F).

Outlook for Tuesday to Thursday:
Very warm and sunny on Tuesday, with light winds. More sunny spells and very warm again on Wednesday, with risks of showers lasting into Thursday, heaviest overnight. Turning fresher later.
